

You are invited to ***A Presentation on the new*** ***Waverly Elementary/Middle School Building***

City Schools and the project architects are ready to present their plans for a new Waverly school building and hear community feedback. You are invited to participate in a meeting to discuss the design of the new school.

WHEN: February 17th at 7 pm
WHERE: Waverly Elementary/Middle School
building 3400 Eilerslie Avenue

Designs will be on display prior to the meeting, from 6-7pm.
Childcare will be provided.

This will be the first new school building in Baltimore in many years and will be built to green building standards. Dr. Alonso has promised an advanced academic program at the new middle school.

This is an open meeting for all community members.
Please RSVP to Andrew Stiller by February 15 at (443) 224-7367
or astiller@greaterhomewood.org, so we can plan for materials
and child care.
