Trash Talk

Baltimore City trash schedules are changing. As of July 1st, the city will have one trash day per week and one recycling day per week. The City has named this new system One Plus One. Trash and recycling will be collected Tuesday—Friday. Be on the look-out for the new trash schedule.

What does this mean for you?

- 1) You must place your trash bag (s) in a trash can with a tightly fitted lid. Trash bags that are not in trash cans will receive a citation from the City in the amount of \$50.
- 2) To cut down on large amounts of trash, recycle. It's easier than you think.
- 3) Be sure not to miss your trash or recycling day

Recycling

Here are a couple of items you can recycle:

- Newspaper, catalogs, non-metallic wrapping paper, books, and magazine.
- Glass jars
- Metal food and beverage containers
- Clean paper—all colors and types
- Soda bottles
- Envelopes
- Empty prescription bottles
- Empty aerosol cans
- Clean aluminum foil and pie pans
- Clean cardboard (cereal boxes, ice cream box, cracker box, packaging box, etc.)
- Milk jugs and plastic bottles

You can place your recyclables in a clearly marked container (cardboard box or paper bag if you do not have a city recycling bin). Do not place recyclables in a plastic bag! Be sure to rinse all recyclables before placing them in your recycle container. Please contact the Dept of Public Works for more information regarding One Plus One or Recycling at 410.396.4511 .

Success In Waverly

The Waverly Community won two battles in the month of May. First, community members fought the opening of a corner store on Melville Avenue. Thanks to everyone who appeared at the zoning board hearing as well as those who wrote letters of opposition.

Secondly, thanks to our Council Woman Mary Pat Clarke and the Waverly Elementary/Middle /School, the School Age Child Care Program remains open large due to President Obama's Stimulus Package.

40 Tree's in 40 Neighborhoods

Greater Homewood Community Corporation celebrates 40 years of service in North Baltimore. To celebrate their 40th anniversary, GHCC is planting 40 trees in 40 neighborhoods in North Baltimore.

If you are interested in planting a tree or assisting in the efforts, please contact Audrey Stevens at 410-261-4927 or

The mission of the Waverly Improvement Association is to coordinate and bring together the people of Waverly to help build a clean, safe and drug free neighborhood by:

1. Improving the quality of life in the Waverly community and to work cooperatively with other community based organizations on quality of life issues in the City of Baltimore.
2. Providing guidance and educational opportunities for children and youth, and to offset juvenile delinquency.
3. Working with city agencies to prevent blight and decline
4. Undertaking other projects, programs and activities as the need presents itself.
